“indoors sessions too long, sensation of claustrophobia” Jeronimo

“Out of respect to the group/organisers I didn't make any comment, but I think it is fair to make a comment here: Training skills/tools need to be coupled with a firm grasp of the content/subject being delivered.

Otherwise, false information is passed on and the trainees are misled” Kleanthis

“Even more practical, interactive exercises instead of theoretical analysis” Zacharoula

“I would like more practical exercises to complete the theoretical presentation” Jenniffer

“more group/teamworking outdoors, please” Jeronimo

“more activities out in the sun please” Jeronimo

“too much time spent indoors” Jeronimo
